

KMX Cyclone Youth Sport Trike

Not your ordinary kid stuff, the Cyclone 7-speed is ideal for youth and small-framed riders

The Cyclone's features include:

- Improved frame angles giving increased ground clearance while maintaining the original low center of gravity
- Direct steer providing more responsive handling and a lighter feel
- KMX ¾ Hard shell seat for more support and comfort
- Adjustable seat position
- Deep Luster Professional paintwork and finish
- Double Pulley system for smooth chain management
- Simple and quick assembly
